Notice

This is a reminder that students are not permitted to have a mobile phone, smart watch or other similar device on them during the school day. This is primarily to keep students safe from online bullying and inappropriate content that they may be able to access through their phone. If students wish to bring a mobile phone to school, they must hand it in to staff on duty in the playground first thing when they arrive. Any student found with a phone on them during the school day will have the phone confiscated for a week. Any further incidents will result in the phone being confiscated until the end of term. Thank you for your support.
