The 16 to 19 Tuition Fund 2021 to 2022 Academic Year

The City of London Academy Islington (135587) has been awarded £5,281 from the 16 to 19 Tuition Fund.

It is the Academy's intention to use this funding as a partial contribution to the overall cost of delivering small-group tuition to eligible students in years 12-13.

Tuition will be delivered through two main methods:

- Through a third-party provider
- Funding existing school teaching staff to provide additional hours

The small-group tuition will be limited to maximum group sizes of five, and will also include one-to-one provision for those that would benefit the most from it.

The tuition will cover a range of subjects, primarily English and Maths, but will also support students studying vocational and BTEC subjects.

Students will be selected on an identified needs basis.
