Dear Parent/Carer

Re: Consultation on Reduction of the Published Admission Number (PAN)

We are holding a consultation about a reduction in the Academy's PAN from 165 students to 140 students per year group. If agreed, this would only come into effect in September 2025 for the Year 7 cohort admitted that year and would then apply to subsequent year groups.

Attached to this letter is a document containing a full rationale and this includes a link to a Google Form for parents and carers to offer their views on this proposal.

We welcome your feedback.

Yours faithfully

Ms S Jacob
Principal
