Trip Highlights

Year 12 & 13 - London Careers Festival

I had the pleasure of accompanying our Sixth Form students to the London Careers Festival at the iconic Guildhall. Among the many enriching experiences, the "Running Your Own Business" workshop truly stood out.

This interactive session aimed to ignite entrepreneurial spirit and equip students with the fundamental knowledge to navigate the exciting, yet challenging, world of business ownership. From crafting compelling marketing and sales strategies to mastering financial planning and management techniques, the workshop covered essential aspects of running a successful business.

Students actively participated in discussions, brainstormed innovative ideas, and gained valuable insights from experienced professionals. Witnessing their enthusiasm and engagement as they explored the possibilities of entrepreneurship was truly rewarding.

This workshop served as an eye-opening experience for our students, allowing them to delve into the realities of running a business and fostering their potential for future ventures. **Mr C. Gomes**
