Dear Parent/Guardian,

**RE: Healthy Relationships School Project**

Tender Education & Arts has been delivering Healthy Relationships education across London since 2003, and nationally since 2012. We are very pleased to collaborating with them in delivering a project at the Academy this year.

Tender has undergone professional external evaluations showing a powerful impact on behaviour. Their participatory work empowers young people to become advocates of respectful, thoughtful behaviour within their schools, peer groups and communities.

The aim of this project is to support students in developing positive, healthy attitudes towards relationships. We achieve this through open, creative workshops that explore the healthy and unhealthy aspects of relationships, empowering students to consider their attitudes and behaviour in a mature and safety-conscious way.

As part of this project, we are collecting the opinions of parents and carers and would like to you complete the following survey in order for us to identify how to further support healthy relationships between families. Please follow the link below to complete the survey: <https://forms.office.com/e/jrzy93Am2F>

The unique ID code for the survey is: **04409**.

If you require any support with the completion of this survey, please don't hesitate to contact me at the Academy.

Yours faithfully,

**Mr Bradley Courtney-Pinn**

**Assistant Principal**
